Comments: THE COMPANY IS AN INVENTION FIRM AND AFTER I HAVE PAID \$8,000. AND 4 YEARS LATER, I HAVE LEARNED THAT MY 'IDEA' IN WHICH THEY DIRECTED ME WAS UNPATENTABLE, HAS BEEN SHARED WITH A FIRM THAT NOW IS MARKETING THE PRODUCT WITH THEIR OWN LABEL AND NAME. COINCIDENCE? THEY ADMITT TO SHARING THE INFORMATION, THROUGH MY DIRECTION, BUT NOW I HAVE TRIED TO PROCEED WITH A PAPER TRAIL AGAINST THIS OTHER COMPANY, AND INVENTION SUBMISSION CORPORATION IS NOW HOLDING ALL INFORMATION AND THOUGH I HAVE TERMINATED THE SERVICE AS OF MAY 2001, THEY ALSO HAVEN'T RETURNED ANY AND ALL DOCUMENTS LIKE STATED IN THE CONTRACT. I UNDERSTOOD THE MONEY PAID TO THEM WAS FOR PROMOTION OF MY IDEA, AND THEY IN TURN HAVE TOLD ME THAT INVENTION SUBMISSION CORPORATION ATTENDS TRADE SHOWS TO PROMOTE INVENTION SUBMISSION CORPORATION ALONE AND NOT ANY ONE IDEA OR INVENTION. I HAVE RESEARCHED THEIR RECORD AND IT SHOWS THEY HAVE 11 CLIENTS OUT OF 5,000 WHO ACTUALLY GAIN MORE THAN THEIR ORIGINAL INVESTMENT. HORRIBLE RECORD! ISC IS A MULTI MILLION DOLLAR COMPANY AND DOING IT BY SCAMMING CONSUMERS SO THEY CAN ATTEND TRADE SHOWS TO MAKE MORE MILLIONS. I HAVE ASKED FOR A FULL REFUND, IN WHICH I AM STILL LEGALLY UNDER CONTRACT, AND THEY ARE REFUSING TO PAY. I ALSO HAVE PROOF OF A BROKEN CONTRACT ON THEIR PART, BUT HAVEN'T THE MONEY TO THROW GOOD MONEY AFTER BAD (HIRING A LAWYER) BUT WILL BE CONTACTING THE ATTORNEY GENERAL AS WELL. THANK YOU.

Comments: Consumer stated he paid an invention company to market a tape measurement. Consumer stated he paid approximately 7000.00 to company in 1994. Consumer stated company did not market his idea properly of tape measurement because it is now being sold at home depot. Consumer stated this was his idea and he is very angry over this.

Comments: They have not fulfilled their contract obligation. They stated in writing that we would be included in a trade show convention - we were not. I have tried to contact the companies that ISC has supposedly sent brochures to. There is not enough information for me to actually contact these companies. ISC refused to supply me with the company information, address or phone number.

Comments: I entered into a contract with this unscrupulous invention marketing company unaware of the litigation brought against them in 1993 and 1994. After researching, I found that some of the provisions of the FTC report were indeed violated. These include the agent touting that Invention Submission Corporation has special connections and dealings with several manufacturers in the industry in which I hoped to commercialize my idea. He made it known that these special relationships are realized at the Inpex trade show in Pittsburgh, PA and that there is a reasonable chance of taking advantage of them. In the meantime, I have found that the said trade show is nothing more than a waste of inventor's money. Furthermore, the agent insisted several times that pursuing a patent for my invention is superfluous and that ideas can be successfully marketed without one. This is in direct contrast to everything else I have read since that states a patent is integral in the invention process. The agent did relay that if I wanted to pursue a patent, the patent lawyers they work with could do so for a fee between \$10,000 and \$15,000. I have found out that most patent lawyers charge between \$3,000 and \$5,000 for such a service and that at least one of Invention Submission Corporation's patent lawyers pressure their associates to churn out patent applications at a rate not in line with the rest of the industry. I feel deceived by this company's very questionable practices and wish to remit on my contract so that I can retrieve the money I now consider wasted. Thank you. [REDACTED]

Comments: I had an invention that I wanted to "launch" and I looked to them to help me. They did a poor patent search and convinced me to proceed with more money. I found out after 1 and 1/2 years that someone patented this idea several years ago. I have contacted a lawyer to help me get my money back.

Comments: This company is a company that says they will help you with your inventions. First they send you a packet about there company and then have you send them a drawing and explanation of your invention. Then they call you and tell you that they did a patent search on your invention and that nothing showed up and that you invention is unique and that they would like to send you a proposal with a fee for there services. Upon receiving there proposal and their copy of the patent search info, I found out that you can do a patent search on the computer, so because I couldn't figure out what the patent sheet they sent me was saying, I figured I go into the internet and find out more about patent information. There was alot of viable info regarding "operation mousetrap", then when I went to do a search on my invention, right then and there 2 items that matched were quickly brought up. If I hand't known about the patent web site I would have probably sent this gut the money and who knows how much more. As of today I havn't confronted this company, I recieved there proposal a week ago, and since then this company has called me 2 to 3 times a day, but because I have caller ID I hav'nt answered his call and wanted to file a complaint with the FTC and wait to see what you would like me to do.
